YOU SHOULD READ CAREFULLY THE FOLLOWING TERMS AND CONDITIONS BEFORE USING THIS MULTIMEDIA WORK. BY INSTALLING THIS WORK YOU SHALL BE DEEMED TO HAVE ACCEPTED THESE TERMS AND CONDITIONS.

LICENCE

1 ANGLIA MULTIMEDIA LIMITED grants you, the Licensee, a non-exclusive licence to the CD ROM multimedia work ("the CD ROM") for single machine use. It is not licensed for copying except as specified in 2 below. It is not licensed for use across a network without a specific licensing agreement. For licensing costs of multiple purchasing for the same site; contact SCA (Anglia Multimedia), PO Box 18, Benfleet, Essex SS7 1AZ, Telephone and Fax: 01268 755811.

2 If you are a school user, you may copy only text, photographs and graphics from the CD ROM for use in your own school projects; provided that such copies shall not be made available to any other persons or schools.

3 Except as provided for in 2 above you may not record store or otherwise transfer any of the CD ROM in whole or part to or onto any other storage device disc or network of whatever kind without having the necessary licence. You may not make copies of the Acorn Replay, QuickTime or MPEG video or audio clips or run them from any disc except the Seashore Life CD ROM.

WARRANTY

1 Limited Warranty. Subject to any other provisions in this Agreement, Anglia Multimedia Limited warrants to you the original licensee, that the device on which the CD ROM is recorded will be free of defects in material and workmanship under normal use for a period of ninety (90) days from purchase, and that CD ROM will perform substantially in accordance with the user guide for a period of ninety (90) days from purchase. Anglia Multimedia Limited's sole responsibility under this warranty will be, at its option, (1) to use reasonable efforts to correct any defects that are reported to it within the foregoing warranty period or (2) to replace the disc. Anglia Multimedia Limited does not warrant that the CD ROM will be error free, nor that all the program errors will be corrected.

2 Limitations on Remedies. Anglia Multimedia's liability arising out of or in connection with the CD ROM, shall not exceed the purchase price of the CD ROM.

IN NO EVENT SHALL ANGLIA MULTIMEDIA LIMITED BE LIABLE FOR SPECIAL, INCIDENTAL TORT OR CONSEQUENTIAL DAMAGES (INCLUDING ANY DAMAGES RESULTING FROM LOSS OF USE, LOSS OF DATA, LOSS OF PROFITS OR LOSS OF BUSINESS) ARISING OUT OF OR IN CONNECTION WITH THE PERFORMANCE OF THE CD ROM EVEN IF ANGLIA MULTIMEDIA LIMITED HAS BEEN ADVISED ON THE POSSIBILITY OF SUCH DAMAGES.

WARRANTY DISCLAIMER

1 Anglia Multimedia Limited makes no warranties, express or implied, including without the limitation the implied warranties of merchantability and fitness for a particular purpose, regarding the software. Anglia Multimedia Limited does not warrant, guarantee or make any representations regarding the use of the results of the use of the software in terms of its correctness, accuracy, reliability, currentness or otherwise. The entire risk as to the results and performance of the software is assumed by you.

2 In no event will Anglia Multimedia Limited its directors, officers, employees or agents be liable to you for any consequential, incidental or indirect damages (including damages for loss of business profits, business interruption, loss of business information, and the like) arising out of the use or inability to use the software.

OWNERSHIP

Anglia Multimedia Limited owns and will retain all title copyright trademark and other proprietary rights in and to the CD ROM. You obtain only those rights provided in the above licence.

Using the CD ROM

After the title screen has been displayed, you can click on the door of the lighthouse until you see a room. This is the program's main menu. The different objects in the room serve the following functions:

Map Using the map you can explore different types of beaches and find the animals that live there.

Bookcase This is a database of the animals and plants which you are likely to find on the seashore.

Filing Cabinet This section shows you how and why animals are classified into different groups.

Television 24 movies and 13 animations can be viewed on the television. All the videos were supplied by Survival Anglia.

Boots and Bucket This section helps you to identify animals you have seen but cannot name.

Quiz Magazine This gives you the choice of 3 simple quizzes. Quiz 1 and 2 are on seashore animals. Quiz 3 is about plants.

Getting Started

This CD ROM is designed to run on the following computers

MPC	386SX 20 MHz or above 4 Mb RAM Sound Blaster compatible sound card Single speed 150 kps CD ROM drive Windows® 3.1 or later (inc. Windows® 95) Mouse VGA display DOS 5.0
Macintosh™	System 7™ or above 4 Mb RAM, 8 Mb recommended Single speed 150 kps CD ROM drive 256 colour, 640 X 480 display
Acorn	Risc computer (Archimedes, A-Series or Risc PC) RISC OS 3.1 or above 4 Mb RAM Single speed 150 kps CD ROM Drive Monitor supporting 640x480 pixels

Installation

MPC

The presentation will look best in 640 x 480 pixels and 256 colours. Video will run as QuickTime™, or MPEG if a card is fitted. With an MPEG card, double click on the video to move between small screen and full screen.

To install this CD ROM on an IBM or compatible:

1 Windows® 95: From the **Start** menu, select **Run...**

Windows® 3.1: From the Program Manager's **File** menu, select **Run...**

2 Type **D:\PC\SETUP.EXE** and press **Return** or click on **OK**. (Substitute another drive letter if the CD ROM is not in drive D.)

3 Select **Install**. The system will then set up a Windows Group called Anglia Multimedia.

Running the Program

Windows® 95: Click on the **Start** icon and access the **Programs** submenu. Then from the **Anglia Multimedia** submenu click on the **Seashore Life** icon.

Windows® 3.1: In the Program Manager, open the **Anglia Multimedia** group and double-click on the **Seashore Life** item.

Apple™ Macintosh™

No special installation is normally necessary. Just insert the CD ROM and wait for the **Seashore Life** icon to appear on your desktop. Double-click on this icon to open its window, then double-click on the **Run Seashore Life** icon to run the program.

If you do have any problems running the QuickTime™ movies on this disk, refer to the following:

Installing/Updating QuickTime™

Before you run the CD ROM, it is important to ensure that your system has an up to date version of QuickTime™ installed correctly. If you suspect that your version of QuickTime™ is not up to date, open the folder on this diskette called **Drag contents to System Folder** and drag the QuickTime™ extension to the **Extensions** folder within the **System Folder** on your hard disc. After rebooting your machine, you will be ready to run Seashore Life.

Acorn Archimedes & Risc PC

No special installation is necessary. Just insert the CD ROM and click on the appropriate CD ROM icon on the left of the iconbar. Open the **ACORN** folder and run **!SEALIFE**

If you have any problems, run **!CDFAST** and **!SYSAUTHOR** before running **!SEALIFE**.

If you *still* have problems, run the **!SETUP** application.

The disc has been designed to look at its best when run in 640 x 480, 256 colour mode (Mode 28). For further information, see the **!README** file within the **ACORN** folder.

Copying Text and Graphics

You can save text and pictures from the CD ROM for educational purposes as outlined in the licence. This works differently depending on the machine you are using:

MPC

Place the cursor on the object you want to copy. Click the right hand mouse button to save the object to the clipboard.

Macintosh™

Place the cursor on the object you want to copy. Hold down the **Command/Apple** key and click on the object you want to save.

Acorn

Click the **Menu** button, switch to desktop execution (or press **F2**). Place the pointer over the object you want to copy, press the **Menu** button and select Save. Save the object by dragging the icon into a directory or onto a disc.

Activity Sheets

This disc contains activity sheets which can be printed out. The sheets include a range of activities some of which require access to the CD ROM and others which can be completed without using a computer. The activity sheets are held within the **ACTSHTS** directory on the root of the CD ROM.

The file **CONTENTS** lists the activity sheets.

Follow the instructions below to view or print the contents of an activity sheet:

MPC

1 Select **File** from the Program Manager (Windows® 3.1) or click on the **Start** button (Windows® 95) and then select **Run**.

2 Now type **D:\PC\ANGPRT.EXE** (if your CD ROM is drive D) and press **Return** or click **OK**. The Page Printer window will open. This allows you to view or print the activity sheets on an MPC.

3 Click on File and then open the **ACTSHTS** folder which is in the root directory of the CD ROM. A list of activity sheets will be displayed. Select the activity sheet you require.

4 To print an activity sheet, select **Print** from the Page Printer menu.

Macintosh™

1 Run **Page Printer** from the **Seashore Life** folder window.

2 Click on **File** and then open the **ACTSHTS** folder. A list of activity sheets will be displayed. Select the activity sheet you require.

3 To print an activity sheet, select **Print** from the menu.

Acorn

Open the **ACTSHTS** folder to reveal the activity sheets. Double click on an activity sheet to view it. Print from !Draw or drag the file direct to the printer manager to print it.

The sheets have been produced in !Draw format. You may amend the sheets as you see fit to suit your own requirements. See the RISC OS User Guide for full details on how to use !Draw.
